Who We Are

WPG Americas Inc. is a member of WPG Holdings, a worldwide distributor of semiconductors passive, electromechanical and display products. From design to delivery, we harness the latest innovations from industry leaders and connect them with our leading-edge design engineers and supply chain services, offering a complete solution in support of your ideas.

Deliver Data at the Speed of Now
with Micron® 9200 SSDs

The Micron® 9200 series of NVMe™ SSDs is Micron's flagship performance family and second generation of NVMe drives. With industry leading performance, the Micron 9200 SSD maximizes application throughput into business advantage and minimizes latencies for faster access to data.

Micron's understands the importance of providing large capacity SSDs to provide smooth migrations and manage workloads, and offers the Micron 9200 SSD in both 8TB and 11TB capacities.

To find out more about Micron 9200 SSDs as well as their full product line, visit www.wpgamericas.com/micron or contact a WPGA specialist today!
