**"Match-Book Sized"**  
LED Driver Family

**The Smallest Dimming LED Drivers in the Industry!**

AC Electronics Match-Book Sized™ LED Drivers have a USA-backed warranty, 0-10V dimming, and up to 93% efficiency. Single current and "Switch Hitter™" screwdriver adjustable multi current models 120, 220, 347, and 420V models available.

**AC ELECTRONICS™**  
**ACELEDS.COM**

**Ultra-high Reflectivity Increases Luminaire Efficiency**

Bright View BrightWhite™ diffuse, white reflectors provide ultra-high reflectivity for use in lighting, illumination, displays, and signage. Luminaires lined with BrightWhite™ reflectors can provide up to 30% more light output than those lined with white paint, solder mask, or powder coat.

**BrightWhite**

**XLamp XD16**  
Industry's First Extreme Density LED

The XLamp® XD16 LEDs deliver over five times higher lumen density than Cree's previous generation of high power LEDs. The XD16 LED enables dramatic improvements in lumen output and efficacy without increasing the size of the LED array for a wide spectrum of lighting applications.

**CREE**  
AUTHORIZED DISTRIBUTOR
